

Minutes and points

26-7-2023

Attendees: Laurent, Fabiola, Nelly, Masood, Williams, Saeid

Meeting on **Update on ICWG III/IVa progress, achievements and difficulties, discuss your plans for future**

26 July 2026

ISPRS Report 2023

The meeting reviews the following: Update on ICWG III/IVa progress, achievements and difficulties, discuss your plans for future

Accomplishments

- Updating website regularly and monitoring activities
- Launched special issues: see <https://www2.isprs.org/commissions/comm3/icwg-3-4a/special-issues/> for details
- Conducted workshop at Geospatial Week 2023 in Egypt.
- Conducted SELPER International Congress in 2022 in Mexico, participation of Saeid for the opening, the event was posted later to our ISPRS group.
- We created a dataset for landslide for **Context Augmentation Network for Landslide Extraction study**: https://github.com/xieyakun/landslide_dataset
- Developed Geospatial Infrastructure Management Ecosystem (GeoIME) Web Application: www.geoime.ca and Geospatial Rapid Visual Screening (GeoRVS): <https://app.georvs.ca/#/>
- UN-GGIM 2023, we attended the UNGGIM: GeoAI Ethics and disaster services at United Nations
- We developed a course outline for GeoAI Ethics and promote to countries and universities like Malaysia (University of Geomatika Malaysia), Mexico (Universidad Autónoma de Nuevo León), Canada (...)
- October 24-28, 2022, SELPER Conference, Mexico

Future plan and targets

- Align with the UN-GGIM and SDG 2030 strategic framework to support and contribute to UN-GGIM
- EOEC-Gi4NDM 2024 14-18 Jan, Doha, Qatar (<https://www2.isprs.org/commissions/comm3/icwg-3-4a/events/>)
- Launch more special issues. For example, entitled "Virtual Reality in Disaster Management." on Metaverse.
- Invite to ISPRS to be part of SELPER Congress in October 2023, in Mexico and
- ICWG III/IVa-related Webs, APP, APIs and Datasets
- Conducted workshop on Academic Writing
- ISPRS WG have been helping organizing the Gi4DM conference: <https://www.gi4dm.net/>
- ISPRS Geospatial Week 2025, UAE 17th – 21st February 2025
